HOME ALONE - FOR PARENTS & CHILDREN
Youth & Adults

Is your child prepared to stay home alone? Does he or she know what to do in case of a fire, if there is a stranger at the door, when friends come to play, when using the internet, if they get hungry and want a snack? Be sure that you have the frank conversations and all of the necessary tools in place so your child is well equipped to stay home without an adult. Home Alone is taught by Sheryl Nefstead, a District 279 teacher with significant experience teaching teens safety and home life skills. She will guide you and your child through the important questions to consider and share the tools you need before you make the important decision to leave your child home alone. A Maple Grove Police Officer will provide your family with Hennepin County guidelines, various safety considerations and a child safety checklist. This class will help your child feel comfortable and provide you with the information you need to assure that your family is safe in all settings, but mostly when you prepare for the big step of leaving your child home alone. A collaborative program offered by Maple Grove Parks and Recreation and District 279 Community Education. Instructors, Sheryl Nefstead & Maple Grove Police Officer.

Tai Chi Ch'uan is a traditional Chinese exercise system which has been widely practiced for preventative and therapeutic purposes. Occasionally referred to as "moving meditation" or "moving pole", it is one of the most popular exercise programs of Chinese tradition for improving personal fitness for people of any age. The primary benefits include postural control and balance, flexibility, coordination, agility, strength and power, sensitivity and awareness, reaction time and confidence. The movements are practiced in the beginning as slow and relaxed to develop strength while eliminating tension and increasing energy. The Future of Europe

The outcome of the United Kingdom referendum on EU membership sent shockwaves across the globe. It even caught British voters by surprise. The European Union has helped secure peace in Europe for the past 70 years. Now it faces an uncertain future. Amid a refugee crisis, lingering financial recession and the constant specter of terrorism, unity seems more imperative than ever. But the Brexit vote underscores the complexities of integrating an extremely diverse continent. What will post-Brexit Europe look like, and how can U.S. foreign policy adapt?

Trade and Politics

The U.S. political mood toward trade has gone sour. One need look no further than the 2016 presidential contest for the popular narrative: trade means that China wins, at America's expense. But do the numbers support that conclusion? The metrics used to gauge economic strength—Gross Domestic Product and balance of trade—have not kept up with the realities of modern manufacturing. Obtaining an accurate picture of U.S. economic stature requires a critique of those numbers. Only then can the U.S. develop appropriate policy solutions for the challenges at hand.

The Baudette Fire was a large wildfire that burned over 300,000 acres in Lake of the Woods County. The Virginia Fire almost wiped out the city in 1900. The Cloquet/Moose Lake Fire was a massive fire that was the worst natural disaster in Minnesota history.

FLOWER DRUM SONG

Park Square Theatre

"To create something new, we must first love what is old." Set in San Francisco's Chinatown in the late fifties, Flower Drum Song is a funny and moving story which explores what it means to be an American and touches the history of every person whose forbearers once arrived as strangers to these shores. Naive immigrant, Mei-Li, who arrives in San Francisco's Chinatown after fleeing communist China, is befriended by Wang, who is struggling to keep the Chinese opera tradition alive despite his son's determination to turn the old opera house into a swingin' Western-style nightclub. A unique blending of American razz-ma-tazz and stylized Chinese opera traditions creates a beautifully theatrical tapestry. The wonderful score, both lushly romantic and showbiz-brassy, retains all of its luster in this lovely new version of an American classic. After the show, enjoy lunch at Tavern on Grand. **Choose from Tater-Tot Hotdish, Walleye Basket, Grilled Chicken or Tavern Burger.** Last day to register or cancel, January 23.

BASIC LIFEGUARD TRAINING

Purpose

The purpose of the American Red Cross Lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take over.

Prerequisites

1. Must be 15 years old on or before the final scheduled session of this course.
2. Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Swim goggles may be used.
3. Tread water for 2 minutes using only the legs. Candidates should place their hands under the armpits.
4. Complete a timed event within 1 minute, 40 seconds.
 - Starting in the water, swim 20 yards. The face may be in or out of the water. **Swim goggles are not allowed.**
 - Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10 pound object.
 - Return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface so you are able to get a breath. Candidates should not swim the distance under water. Exit the water without using a ladder or steps.

The skills evaluation will occur on the first day of the course. Please bring a swimsuit and towel for the skills evaluation and for every class. Bring proof of age to the pre-course session to continue class. A birth certificate, passport, driver's permit or license will work to prove age.
