Permit becomes void if the work does not begin within 180 days or is suspended at any time for over 180 days. Permits issued and inspections made by the City are a public service and do not constitute any representation, guarantee or warranty, either implied or expressed, to any person as to the condition of the building or conformance to applicable construction codes. The undersigned acknowledges that this application had been read and that the above is correct and agrees to comply with all the ordinances and laws of the City of Maple Grove. **Periodic and/or final inspection of this work is required by the Minnesota State Building Code. It is the responsibility of the applicant to call the Maple Grove Inspection Division at 763-494-6060 to schedule an Inspection.**

Beware of Unlisted Electrical Equipment

Minnesota Rules 3801.3619 and 3801.3620 and OSHA detail requirements for electrical equipment. Failure to comply can delay your project. We are unable to conduct final inspections or issue the Certificate of Occupancy when unlisted electrical equipment is involved.
