

Interstate 494 in 2016 Short-term Detours

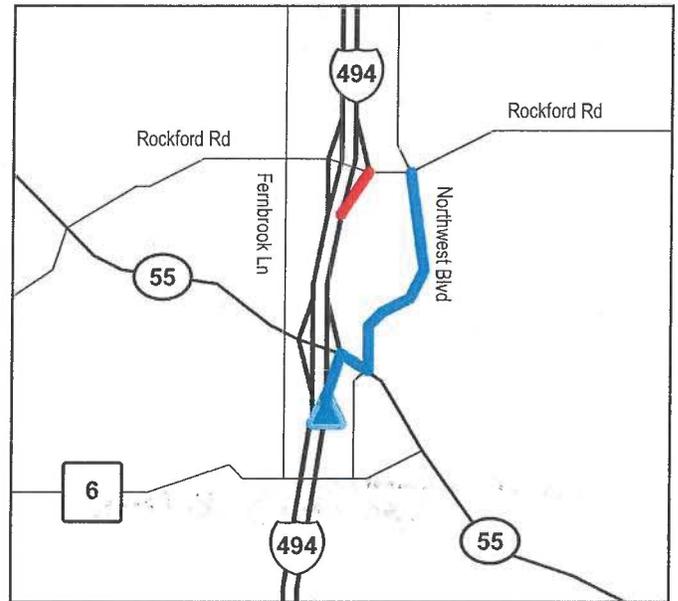

Construction crews will work from mid-April to late fall reconstructing pavement, adding a third lane on northbound Interstate 494, and building noise walls.

The following short-term closures are scheduled to last one month. The exact schedule for these closures has yet to be determined.

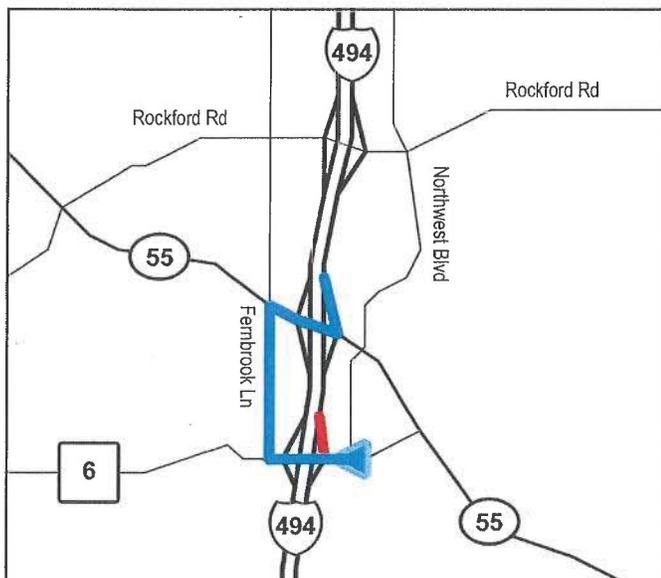

To learn more, please visit www.mndot.gov/metro/projects/i494plymouth or call the project hotline at 1-877-219-4940 to listen to a list of active detours.
