

## Garden at Central Park of Maple Grove Guidelines

The garden is a natural area and flowers will look different from month to month; year to year. We cannot guarantee what will be blooming, but the garden is tended to look its best year round.

With thousands of perennials, trees, shrubs and grasses, this is a perfect location for a garden party or an outdoor wedding ceremony. The grass area within the garden is divided by a central walkway. The walkway leads to a raised area, ideal for a wedding party and officiate. An adjoining labyrinth is included in the garden rental.

- Garden capacity is approximately 250 people arranged audience style.
- The garden has two time slots on Friday, Saturday and Sunday:
  - 11am-2pm, can also be reserved for earlier hours

- Weddings in the garden are entitled to a free one-hour rehearsal prior to the wedding, based on availability 30 days prior to event. No staff is provided for the rehearsal.
- The garden is an outdoor space and a garden rental does not include any indoor space. There is no indoor back up area for your event unless rented prior to the event.
- The remainder of the park will remain open to the public. This includes the building, interactive fountain and adjoining patio, playground, walkways and grass lawn areas.
- Parking is free at the two lots on site or along the street adjoining the park. [Click here to link to an overview map of parking.](#)
