NEIGHBORHOOD MEETINGS

The City of Maple Grove, in certain cases, strongly encourages developers to hold neighborhood meetings prior to bringing a development through the formal approval process. It is hoped that through these informational meetings, citizens will be better informed about the development in their neighborhoods, and be given the opportunity to voice concerns and/or provide input to the developer prior to a formal public hearing.

It is suggested that residents within a 500 ft. radius of the proposed development site be notified of the neighborhood meeting in writing. For assistance with the notification area, production of address labels, or list of possible meeting facilities and contacts located near the neighborhood, please contact the Community Development Department at 763-494-6040.

If any of the following items apply to the development being proposed, the City strongly encourages holding two or more neighborhood meetings:

- Comprehensive Land Use Plan Amendment
- Rezoning
- Proposed land use that is inconsistent with neighboring land uses.
- City financing or other City involvement

HOW TO ORGANIZE COMMUNITY MEETINGS

Holding an open invitation community meeting is only one way of communicating with prospective neighbors. Other options include direct mail, door to door canvassing (with handouts), holding one smaller pre-meeting prior to a large meeting, holding a series of smaller house meetings, or hold an all day “open house” in the neighborhood in which developer staff are available to provide information and answer questions. The main benefit of open invitation community meetings is that they can require less staff time. The benefit of smaller meetings and open houses is the opportunity for better conversation, more civility, better understanding of your organization and the proposal.
