DEPARTMENT OF REVENUE INFORMATION

City of Maple Grove • PO Box 1180 Maple Grove, MN 55311 • 763-494-6010

Pursuant to Minnesota Statute 270.72 Tax Clearance; Issuance of Licenses, the licensing authority is required to provide to the Minnesota Commissioner of Revenue your Minnesota business tax identification number and the social security number of each license applicant (person signing the application).

Under the Minnesota Government Data Practices Act and the Federal Privacy Act of 1974, we are required to advise you of the following regarding the use of this information:

1. This information may be used to deny the issuance, renewal, or transfer of your license in the event you owe the Minnesota Department of Revenue delinquent taxes, penalties, or interest;
2. Upon receiving this information, the license authority will supply it only to the Minnesota Department of Revenue. However, under the Federal Exchange of Information Agreement, the Department of Revenue may supply this information to the Internal Revenue Service;
3. Failure to supply this information may jeopardize or delay the processing of your license issuance.

Please supply the following information and return along with your application:

Personal Information:

Applicant's Name

Applicant's Address

City/State/Zip

Social Security Number

Phone Number

Business Information:

Business Name

If a Minnesota Tax ID number is not required, please attach explanation.

TENNESSEN WARNING: In connection with your request for a license, the City has asked that you provide information about yourself which may be classified as private, confidential, nonpublic, or protected nonpublic under the Minnesota Government Data Practices Act. This means that this data is not ordinarily available to the general public. Accordingly, the City is required to inform you of the following:

1. The purpose and intended use of the information requested is to determine if you are eligible for a license from the City of Maple Grove.
2. The known consequences of supplying the requested information is that the information or further investigation could disclose information which could cause your application to be denied.
3. You are not legally obligated to supply the requested information. The known consequences of refusing to supply the requested information is that your request for a license cannot be processed.
4. A criminal charge, arrest, or conviction will not necessarily bar you from obtaining a license with the City, unless the conviction is related to the matter for which the license is sought, according to Minn Stat. 364.03. However, failure to reveal the requested criminal information will be considered falsification of the application and may be used as grounds for the denial of the application.
5. Other governmental agencies necessary to process your application are authorized by law to receive the information provided.
6. The City is required by law to furnish some of this information to the Department of Labor and Industry and the Minnesota Commissioner of Revenue.

The undersigned, by signing this notice, acknowledges that he/she has read and understood the contents of this notice and has received a copy of this notice.

MINNESOTA WORKERS' COMPENSATION LAW

City of Maple Grove • PO Box 1180 Maple Grove, MN 55311 • 763-494-6010

Minnesota Statute, Section 176.182 requires every state and local licensing agency to withhold the issuance or renewal of a license or permit to operate a business or engage in an activity in Minnesota until the applicant presents acceptable evidence of compliance with the workers' compensation insurance coverage requirements of MSS Chapter 176. The required workers' compensation insurance information is the name of the insurance company, the policy number, and the dates of coverage, or the permit to self-insure.

This information is required by law, and licenses and permits to operate a business may not be issued or renewed if it is not provided and/or is falsely reported. Furthermore, if the required information is not provided or is falsely stated, it shall result in a \$2000 penalty assessed against the applicant by the commissioner of the Department of Labor and Industry. This information will be collected by the City and retained in the files.

A valid workers' compensation policy must be kept in effect at all times by employers as required by law. Please supply the following information and return along with your application:

REFUSE COLLECTORS

Chapter 20, Article III, Section 20-87

Sec. 20-87. Refuse collection.

Refuse collection in residential zones pursuant to chapter 26, article IV shall be between the hours of 6:30 a.m. and 8:30 p.m., and there shall be no garbage or refuse collection from residential dwelling units on Sundays.

(Code 1984, § 911:30)

Chapter 26, Article IV, Sections 26-91 – 26-104

Sec. 26-91. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Garbage means all animal, vegetable, or other matter that attends the preparation, consumption, display, dealing in or storage of meat, fish, fowl, birds, fruit or vegetables, including the cans, containers or wrappers wasted along with such materials.

Owner means any person or other legal entity who, jointly or severally with others, shall be in ownership of, or have charge, care, or control of, any premises or business within the city as owner, employee or agent of the owner, or as trustee or guardian of the estate or person of the title holder.

Premises means any dwelling, house, building or other structure or parcel of property.

Refuse means all waste matter or solid waste products or those wastes having the character of solids rather than liquids in that they will not flow readily without additional liquid and which are composed wholly or partly of such materials as garbage, sweepings, swill, cleanings, trash, rubbish, litter, industrial solid wastes, or domestic solid wastes; organic wastes or residue of animals sold as meat, fruit, or other vegetable or animal matter from any kitchen, dining room, market, food establishment, or place dealing in or handling meat, fowl, fruit, grain, or vegetables; offal, animal excreta, or the carcasses of animals; tree or shrub trimmings, or grass clippings; brick, plaster, wood, metal or other waste matter resulting from the demolition, alteration or construction of buildings or structures; and accumulated waste materials, cans, containers, junk vehicles, ashes, tires, junk, or other such substance which may become a nuisance. The term "refuse" shall also include recyclable materials as defined in article II of this chapter and governed thereby, and recyclable waste as defined in article III of this chapter and governed thereby.

Rubbish means solid wastes such as wood, leaves, trimmings from shrubs, dead trees or branches thereof, shavings, sawdust, excelsior, wooden waste, printed matter, paper, paper board, paste board, grass, rags, straw, boots, shoes, hats and all other combustibles not included under the term "garbage."

Swill means garbage which is wholly or nearly edible and usable as a food and has food value for animals or fowl, accumulating from animal, vegetable, or other matter wasted from clubs, hotels, hospitals, restaurants, and public eating places.

Vehicle means every device in, upon or by which any person or property is or may be transported or drawn upon a thoroughfare, including, but not limited to, devices used exclusively upon stationary rails or tracks.

Waste matter means non-putrescible solid waste such as soil, earth, sand, clay, gravel, loam, stone, brick, plaster, crockery, glass, glassware, ashes, cinders, shells, metal and all other noncombustible material which has been or is to be discarded.

(Code 1984, § 436:00; Ord. No. 06-09, § 1, 4-17-2006)

Cross references: Definitions generally, § 1-2.

Sec. 26-92. License required.

It is unlawful to collect, haul or convey refuse from any premises in the city, other than from one's own domicile, without a valid license therefor. Each such vehicle so used must be licensed for such activity. (Code 1984, § 436:05(1))

Sec. 26-93. Application for license.

The applicant for a refuse collector's license or renewal of such license shall provide the following:

- (1) A description of the types of motor vehicles used for collection.
- (2) A schedule of services to be made to the customer, including, but not limited to, proposed days of collection in different areas of the city.
- (3) The frequency of service to be rendered.
- (4) Full information where and how material collected will be disposed of.
- (5) Proof of insurance as required in chapter 16, article XII.
- (6) Any other information the city may require, including, but not limited to, a list of all residential and business addresses which are the subject of a contract with the applicant for refuse collection service.
- (7) A license fee as set forth in section 16-81.

(Code 1984, § 436:05(2); Ord. No. 06-09, § 1, 4-17-2006)

Sec. 26-94. Issuance of license; term.

Applications for a license under this article shall be submitted to the city for review and recommendation. The city may require vehicle inspection before processing the license application. If the council is satisfied that the public need, convenience and good order will be served thereby, it may grant a license to any such applicant meeting the requirements of this article. All licenses shall expire May 31.

(Code 1984, § 436:05(3))

Sec. 26-95. License classifications.

Licenses shall be issued under this article for the following classes of operation:

- (1) Class I: Residential refuse collection vehicle.
- (2) Class II: Commercial and business refuse collection vehicle.
- (3) Class III: Residential and commercial refuse collection vehicle.
- (4) Class IV: Rubbish and waste matter collection vehicle.
- (5) Class V: Rendering collection vehicle.
- (6) Class VI: Recycling vehicle (see section 26-34(f)).

(Code 1984, § 436:05(4))

Sec. 26-96. Insurance requirements.

Insurance requirements under this article shall be as provided in chapter 16, article XII.

(Code 1984, § 436:05(5))

Sec. 26-97. Collection standards; condemnation of containers.

- (a) Each licensee under this article shall provide routine weekly collection and removal of refuse from residences within the city and complete collection of all refuse which normally results from day-to-day use of the type of property, except furnishings, appliances, building or construction waste and similar bulky waste, for which individuals must make special arrangements.
- (b) The licensee shall transfer the contents of the containers to his vehicle without spilling them, or, if any spilling occurs, he shall clean it immediately and completely.
- (c) Collection shall be conducted in such a manner as to not create a nuisance.
- (d) Collection in residential zones shall be between the hours of 6:30 a.m. and 8:30 p.m., and there shall be no garbage or refuse collection from residential dwelling units on Sundays.

- (e) Upon each collection, the containers shall be completely empty and returned to the racks or stands where they are kept and the lids of the containers shall be replaced.
- (f) Whenever a container is in poor repair, is corroded or is otherwise defective so as to permit insects, vermin or rodents to enter, or does not meet any other requirements of article I of this chapter, the collector shall notify the owner or occupant in writing on forms furnished by the city for such purpose. A copy of the notice shall be furnished to the city administrator's office. The collector shall affix the owner's or occupant's notice to the container. The notice shall state the deficiency and shall require repair or replacement on or before the next collection date. If the deficiency is not corrected by the compliance date, the city shall condemn the deficient container and affix a tag so stating such condemnation. It is unlawful for any person to place or deposit refuse in a container which has been condemned.
- (Code 1984, § 436:05(6))

Sec. 26-98. Cancellation of service.

A licensee under this article shall cancel service to any premises when the only containers thereon have been condemned and may cancel service for cause or when the party charged for the collection service is two months or more overdue in paying for such services. When a refuse hauler cancels service to any premises, written notice thereof shall be served upon or mailed to the occupant, manager, or owner of the premises and a copy of the notice shall be mailed to the city at the city offices.

(Code 1984, § 436:05(12))

Sec. 26-99. Vehicle license decals.

Whenever a license or renewal has been granted under this chapter, the city shall furnish to the licensee a decal for each approved collection vehicle. The decal shall be so worded as to signify that the vehicle is licensed by the city. The licensee shall apply the decal to the left forward side of the body of the appropriate licensed vehicle as indicated by the city. Old, expired, or otherwise invalid decals shall be removed from the vehicle.

(Code 1984, § 436:05(7))

Sec. 26-100. Identification of vehicles.

Every vehicle used to collect refuse shall have the name of the licensee on the body or placed on a durable metal or wood plaque attached to the body. The lettering shall be at least three inches in height and the color of the lettering and of the background shall be contrasting.

(Code 1984, § 436:05(8))

Sec. 26-101. Vehicle construction; cleaning of vehicles.

- (a) All persons hauling or conveying garbage or refuse over the streets of the city shall use a vehicle that complies with the requirements of this article and which shall be operated and maintained in such a manner as to prevent offensive odors, garbage or refuse from escaping.
- (b) Any such vehicle shall be kept clean and as free from offensive odors as possible and shall be thoroughly disinfected at least once each week unless the vehicle has not been used since the last disinfection thereof. Every such vehicle shall be cleaned every week or oftener as necessary to prevent persistent odors and shall be cleaned before being used for any other purpose.
- (c) The body of every such vehicle shall be constructed entirely of metal or, in the alternative, the space in the vehicle in which the refuse shall be kept shall be completely lined with metal. All joints shall be effectively closed so that no dripping or leaking or drain-off of water, liquids, or any substance can occur.
- (d) The loading space shall be provided with a tight metal hood having an opening fit with metal doors, or shall be provided with a heavy tarpaulin or equivalent cover fitted with eyes, grommets, tie ropes or hooks so that the cover can be held securely over the loaded refuse. Every vehicle used for collection of garbage or swill shall have a permanent metal cover.
- (e) Every such vehicle shall be equipped with the necessary hand tools for cleaning up of spills.
- (f) Each such vehicle shall be equipped with a reverse signal alarm in operable condition so as to be audible above the surrounding noise level when the reverse gear of the transmission is engaged or when the vehicle is

backing. If such a vehicle is not so equipped, it shall be backed up only when an observer standing away from the vehicle signals that it is safe to do so or when the operator is able to see the area immediately behind the vehicle unaided by a mirror or other device.

(Code 1984, § 436:05(9))

Sec. 26-102. Vehicle maintenance.

Every collection vehicle licensed under this article shall be kept well painted, clean and in good order.

(Code 1984, § 436:05(10))

Sec. 26-103. Loading of vehicles.

Garbage, refuse, rubbish or other waste matter shall be so loaded that none of such materials can jar loose, and paper, trash, and similar materials shall be so secured that they cannot be displaced by the wind or fall out of the vehicle. Containers used to carry refuse in or on any vehicle shall comply with the requirements of this article.

(Code 1984, § 436:05(11))

Sec. 26-104. Vehicle storage and parking.

It is unlawful to park or store any refuse collection vehicle within 300 feet of any premises zoned for use as a single- or multiple-residence dwelling, or within 200 feet of any food establishment, unless for the purpose of, and for periods consistent with, providing refuse collection at that parcel of property.

(Code 1984, § 436:05(13))

ARTICLE XII. INSURANCE REQUIREMENTS January 2011

Sec. 16-447. Refuse collectors.

(a) Applicants for licenses or renewal of licenses under chapter 26, article IV, pertaining to refuse collectors, shall file with each application copies of insurance policies or certificates of insurance acceptable to the city and issued by insurance companies authorized to do business in the state for coverage and limits as set forth as follows:

(1) Comprehensive general liability policy on an occurrence basis having minimum combined single limits as follows:

TABLE INSET:

General aggregate	\$1,000,000.00
Products--Comp/ops aggregate	1,000,000.00
Personal and advertising injury	1,000,000.00
Each occurrence	1,000,000.00

The policy shall include, but not be limited to, contractual and independent contractor's coverage, and proof of insurance shall state such coverage.

(2) Business auto policy covering owned (if any), nonowned, and hired autos with minimum combined single limits for bodily injury and property damage liability of \$1,000,000.00 each accident, or equivalent in split limits of bodily injury of \$300,000.00 per person and \$700,000.00 per accident, and property damage of \$300,000.00.

(3) Workers' compensation and employers' liability as required by the state and including coverage for proprietors, partners, or officers, if they drive any vehicle as described in section 26-95.

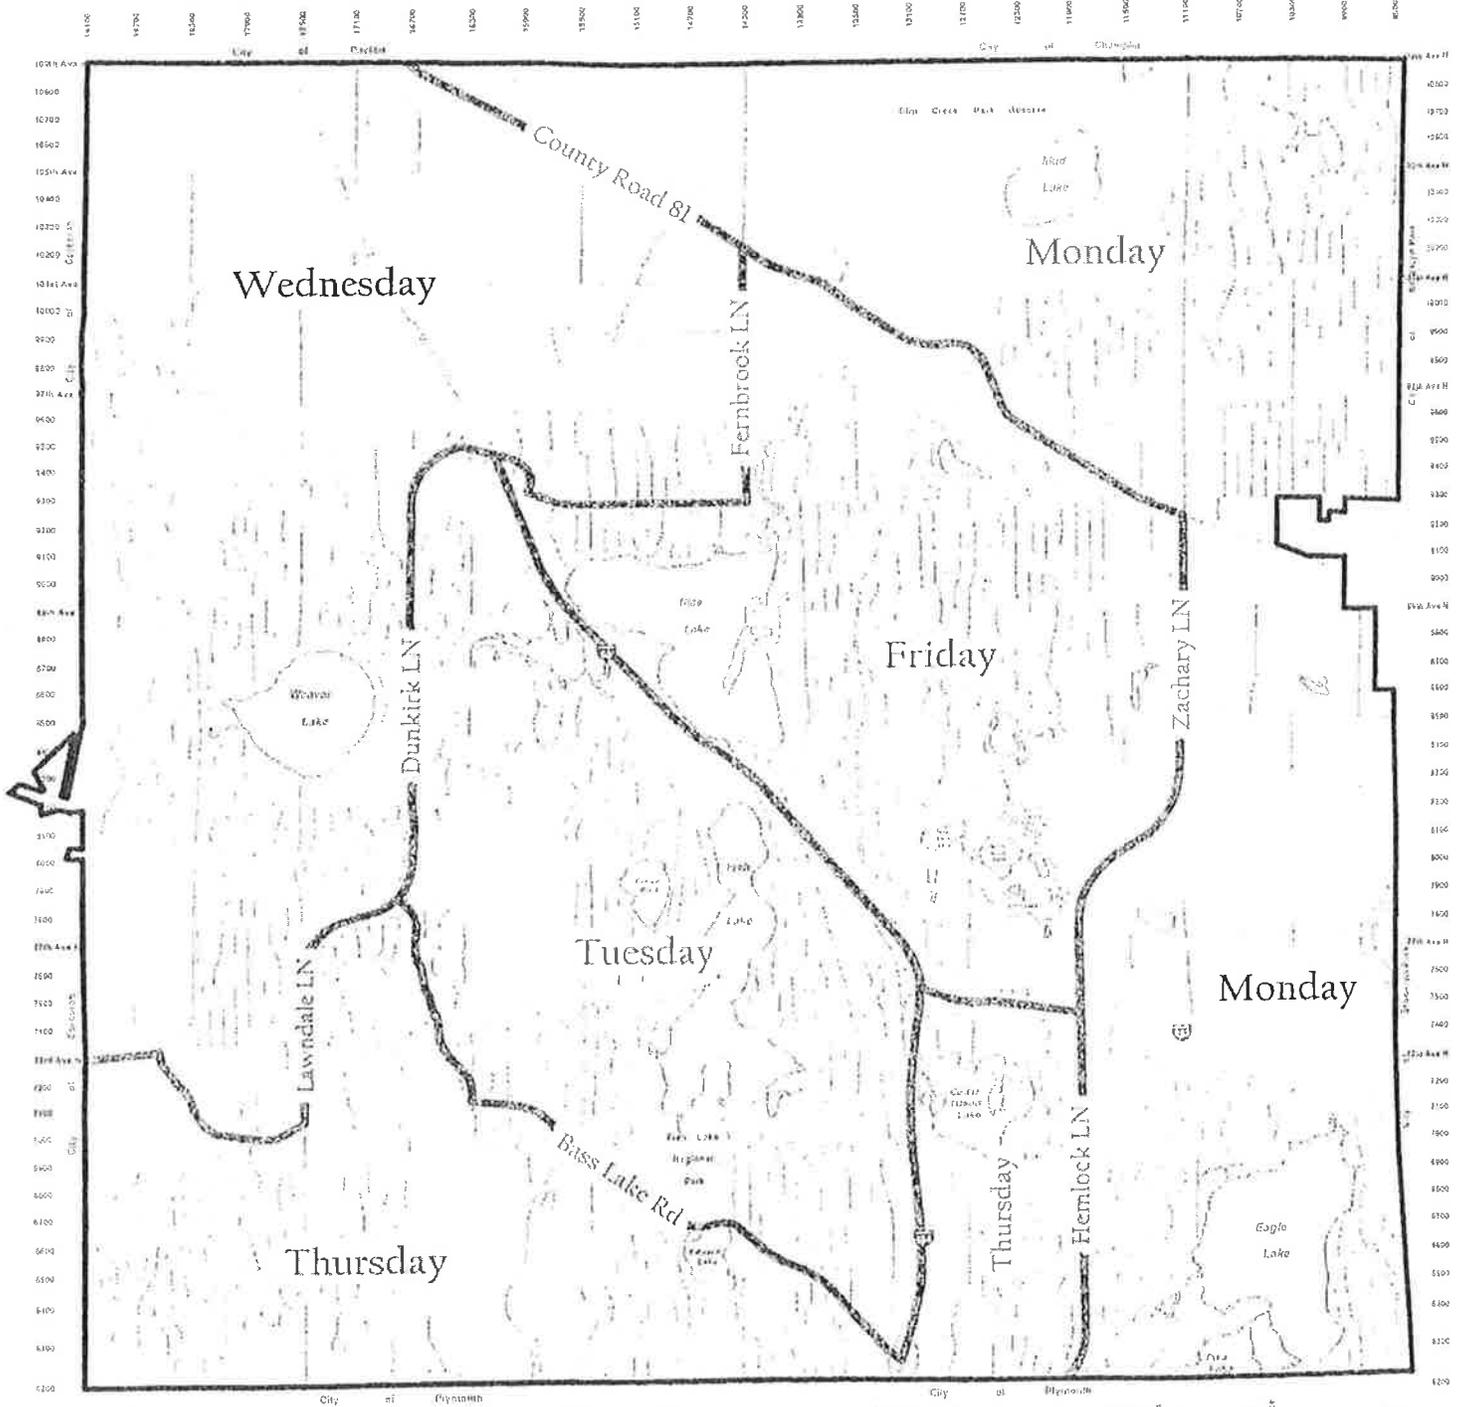

(b) Should any policy described in subsection (a) of this section be canceled or not renewed for any cause before the expiration date thereof, the issuing company shall mail 30 days' written notice to the city clerk, except such notice shall be ten days for nonpayment of premium.

(c) In the event of cancellation of the insurance, the applicant's license shall be suspended, unless the insurance is either reinstated or replaced prior to the termination date.

(d) The issuing insurance companies shall have a minimum Best's Key Rating Guide of A-VII, or as approved by the city's insurance agent.
