RECOMMENDED PARK BOARD ACTION:
Motion to approve the 2021 Community Center Facility Usage Year End Report

COMMENTS:
The 2021 Community Center facility usage report includes recordable and estimated attendance. The recordable attendance includes totals for admissions, rentals and tracking log. The year-end reports show a 39% increase from 2020 but still down 43% when compared to 2019. It should be noted that five months of 2021 were subject to restricted capacities per MDH/CDC guidelines.
