

REQUEST FOR COUNCIL ACTION

MEETING DATE: February 7, 2022

PREPARED BY: Derek Asche, Water Resources Engineer

AGENDA ITEM: Everest Lane Stream Restoration Cooperative Agreement with the Elm Creek Watershed Management Commission

PREVIOUS ACTIONS:

Council, at their June 1, 2020 meeting, adopted Resolution No. 20-078 ordering Elm Road Area Street & Utility Project No. 20-08, including Phase II Everest Lane Streambank Stabilization and ordering plans and specifications.

Council, at their March 1, 2021 meeting, adopted Resolution No. 21-031 approving plans and specifications and authorizing the advertisement for bids for the Elm Road Area Phase II Everest Lane Streambank Stabilization, City Project No. 20-08.

Council, at their April 5, 2021 meeting, adopted Resolution No. 21-041 awarding the contract for the Elm Road Area Phase II Everest Lane Streambank Stabilization, City Project No. 20-08.

Council, at their July 13, 2021 meeting, approved Change Order No. 1 for the Elm Road Area Phase II, Everest Lane Streambank Stabilization, City Project No. 20-08.

RECOMMENDED COUNCIL ACTION:

Motion to approve the Cooperative Agreement for the Phase II, Everest Lane Streambank Restoration, Project No. 20-08, and authorize its execution by the Mayor and City Clerk.

COMMENTS:

The Phase II Everest Lane Streambank Stabilization Project, No. 20-08, is located between 63rd Avenue North, carries under Everest Lane, and terminates at Elm Creek. This project was substantially complete in the fall of 2021 and utilized hard armoring at culverts, rock veins, riffles, and natural vegetation to repair erosion and reduce sedimentation along 800 linear feet of intermittent stream. The project also increased dissolved oxygen resulting in improved biologic integrity of the stream in this area.

In September 2021, the Elm Creek Watershed Management Commission committed up to \$125,000 for the project's design and construction through an ad valorem levy across the Elm Creek Watershed. Currently, the project is 95% complete with total design and construction costs to date of \$253,553.80. Staff is requesting reimbursement per the terms of the Cooperative Agreement.
