Re: Maple Grove Lions Club Foundation – Rock’n the Grove

Dear Ms. Huntley:

I write to you as Chairman of the Maple Grove Lions Club Foundation.

The Foundation respectfully requests consideration by the City of Maple Grove to support the Rock’n the Grove event currently scheduled for September 16 – 17, 2022 in Central Park by waiving any and all City Fees for this Community based fund-raising event. It is my understanding that the City of Maple Grove has provided this support in the past. The Foundation and the Lions Club appreciate this accommodation as we collaboratively work to establish and grow the event.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron Walsh", written over a horizontal line.

Ronald J. Walsh, Esq.
