Hello Cindy,

Please consider this email my request to extend the formal review period of the Weston Commons 2<sup>nd</sup> addition project until May 6<sup>th</sup> with the intention that we will go before the council on April 18<sup>th</sup>. That way, if we need to push off an additional meeting, we can also target the May 2<sup>nd</sup> meeting as well within the requested extension timeframe.

Thank you for working with us on this, and I will let you know if anything else changes.

Please contact me with questions.

Thank you so much,  
Paul Tabone
