

To: Parks and Recreation Board Chair and Members

From: Chuck Stifter, Director of Parks and Recreation

Date: March 17, 2022

Subject: March Director's Report

**Joint Work Session – April 18, 2022**

Please add to your schedule a Joint Work Session with City Council and Planning Commission to review the area planning for the area west of Fernbrook Lane and along Territorial Road known as Park Service Area 4 in the Park System Plan. We anticipate a 6:00 pm start. More information and meeting materials will be provided in advance of the meeting.

**Human Resources Director Resignation**

On March 7, 2022 the City Council authorized recruitment of a new Human Resources Director due to the resignation of Denise Thul. Denise has held the position for 3 years and has been a tremendous support to the Parks and Recreation Department providing progressive review and strategy of current policy, procedures and contracts. Denise's last day is March 25, 2022. We wish her the best in her future career endeavors.
