

REQUEST FOR BOARD ACTION
Consent

MEETING DATE: April 21, 2022
PREPARED BY: Ben Jaszewski, Parks and Planning Superintendent
AGENDA ITEM: Maple Grove Middle School - Ballfield Netting Project

PREVIOUS ACTIONS:

At their December 16, 2021 meeting the Park Board approved the 2022 Park Development Program Budget.

RECOMMENDED PARK BOARD ACTION:

Motion by _____ to accept quotes for the Maple Grove Middle School Ballfield Netting Project and award the contract to Upper Midwest in the amount of \$42,035.

COMMENTS:

Neighborhood residents and users of the play equipment have expressed concerns over home run balls from field 3 flying into the play equipment and putting users of the park at risk. The 2022 Park Development Program budget includes \$100,000 to add 30 feet tall by 120 feet long ballfield netting to field 3 at Maple Grove Middle School to protect users of the play equipment which is located approximately 30 feet beyond the center field fence (see Attachment A). Quotes were received on April 5, 2022 from two contractors as follows:

Upper Midwest.....\$42,035
Peterson Companies.....\$51,900

If accepted by the Board construction would begin in early May and is expected to be completed in two to three weeks.

Staff recommends the Board accept the quotes and award the contract to Upper Midwest in the amount of \$42,035.
