PSA 5 Land Acquisition

Pursuant to Board approval and direction, staff is in negotiations with a landowner to acquire the third of three parcels that will encompass the future neighborhood park in park service area 5 located at 105th Avenue and Dunkirk Lane. The first two parcels were recommended for acquisition by the Board in August 2020 and acquired by Council that same year. The final parcel is currently for sale by owner. Staff anticipates coming to terms with the owner in the next month and requesting approval from Council shortly after. City attorney will provide all appropriate closing documents and advice to staff throughout the process.
