

REQUEST FOR COUNCIL ACTION

MEETING DATE: May 2, 2022

PREPARED BY: Jupe Hale, P.E., Asst. Public Works Director/Asst. City Engineer

AGENDA ITEM: Approval of Cooperative Construction Agreement PW 13-34-21 with Hennepin County

PREVIOUS ACTIONS:

At their May 3, 2021 meeting, Council approved Change Order No. 2 to the Minnesota Health Village Utility and Street Improvement Project No. 2019-21, which included an enhanced pedestrian crossing of County Road 30 at Larch Lane.

RECOMMENDED COUNCIL ACTION:

Motion to approve Cooperative Construction Agreement PW 13-34-21 between the City of Maple Grove and County of Hennepin subject to final review by the City Attorney and Director of Public Works.

COMMENTS:

Council previously approved the enhanced pedestrian crossing of County Road 30 at Larch Lane including a pedestrian refuge, in order to facilitate a trail crossing of a busy county roadway. Hennepin County had agreed, at time of approval, to pay a not-to-exceed amount of \$35,000 towards construction.

The proposed Cooperative Construction Agreement is the vehicle that commits Hennepin County to their contribution and allows them to pay that share to the city. The agreement is a standard form of agreement between the county and its city partners. Staff recommends approval of the Cooperative Construction Agreement, subject to final review by the city attorney and director of public works.
