

## REQUEST FOR BOARD ACTION Consent

---

**MEETING DATE:** May 19, 2022  
**PREPARED BY:** Angie Dehn, Community Center Manager  
**AGENDA ITEM:** East Arena Sound System Replacement - Award Project

---

### **PREVIOUS ACTIONS:**

At their December 16, 2021 meeting, the Park Board approved the 2022 Community Center budget including the scheduled building/equipment reserve capital outlay schedule.

---

### **RECOMMENDED PARK BOARD ACTION:**

Motion by \_\_\_\_\_ to accept the quotes and award the contract to Audio Logic Systems in the amount of \$102,710.30 to furnish and install a new sound system at the Maple Grove Community Center east rink.

---

### **COMMENTS:**

The Community Center equipment reserve schedule identifies one of the priority capital projects in 2022 as the replacement of the east rink sound system. The project is a priority due to the outdated technology of our current system and the expense of renting one yearly.

Three companies were solicited to quote on the project. Staff recommends awarding Audio Logic System the project to replace the east rink sound system for \$102,710.30.

Within the bid price is a 15% contingency in case of price increases. Funding for this project is noted in the equipment reserve list in the 2022 Community Center budget.
