RECOMMENDED PARK BOARD ACTION:

Motion to authorize staff to begin the recruitment process for the vacant position of Recreation Facilities Supervisor due to the retirement of Jeanne Vestal, which was accepted with an effective date of July 29, 2022

COMMENTS:

We congratulate Jeanne Vestal as she moves on to a new chapter in her life and accept her letter of retirement.

Jeanne has passionately served the Parks & Recreation Board and the city of Maple Grove for 35 years. Jeanne was hired on July 25, 1987 as the city's Athletic programmer. With the addition of new facilities, Jeanne took on a new role as the Recreation Facilities Supervisor. In this new role, Jeanne oversaw Central Park, Town Green, the Sports Dome, and Weaver Lake operations.

Jeanne is well known in the parks and recreation field and was inducted into the USSSA Hall of Fame in 2015 and also served on the Women in Leisure Services (WILS) board for many years throughout her career.

We wish all the best to Jeanne and look forward to seeing her around town enjoying the parks in which she played an integral role in programming and operating. Jeanne's daily welcoming smile and amazing humor and wit will be missed.
