NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Maple Grove, Minnesota, as follows:

1. A public hearing on the housing finance program and proposal of the Borrower will be held at the time and place as determined by the City Administrator and as set forth in a Notice of Public Hearing substantially in the form attached hereto as Exhibit A.

2. The general nature of the proposal and an estimate of the principal amount of Bonds to be issued to finance the proposal are described in the attached form of Notice of Public Hearing.

3. A draft copy of the housing finance program with proposed forms of all attachments and exhibits shall be on file in the office of the City Administrator on the date the Notice of Public Hearing is published.

4. The City Administrator is hereby authorized and directed to cause notice of the hearing to be given one publication in the official newspaper of the City and a newspaper of general circulation available in the City, not less than 15 days nor more than 30 days prior to the date fixed for the hearing, substantially in the form of the attached Notice of Public Hearing with such changes as required or approved by Bond Counsel.

5. The City hereby ratifies and affirms its preliminary approval to the proposal of the Borrower that the Borrower undertake the Project, and the City undertake the program of financing therefor, pursuant to the Act, consisting of financing the acquisition and construction of the Project pursuant to the Borrower's specifications and to a loan agreement between the City and the Borrower on such terms and conditions with provisions for revision from time to time as necessary, so as to produce income and revenues sufficient to pay, when due, the principal and interest on the Bonds in a total principal amount not to exceed \$23,800,000 to be issued pursuant to the Act to finance the Project; and said agreement may also provide for the entire interest of the Borrower therein to be mortgaged to the purchasers of the Bonds, or a trustee for the holder(s) of the Bonds; and the City, acting by and through the City, hereby ratifies and affirms its preliminary undertaking to issue its Bonds in accordance with such terms and conditions.

6. At the option of the City, the financing may be structured so as to take advantage of whatever means are available and are permitted by law to enhance the security for, or marketability of, the Bonds; provided that any such financing structure must be consented to by the Borrower.

7. On the basis of information available to the City it appears, and the City hereby ratifies and affirms its finding, that the Project constitutes a multifamily housing development within the meaning of Section 462C.02, subdivision 5, of the Act; that the availability of the financing under the Act and the willingness of the City to furnish such financing will be a substantial inducement to the Borrower to undertake the Project, and that the effect of the Project, if undertaken, will be to encourage the construction and maintenance of new and existing multifamily rental housing opportunities for residents of the community, and to promote more intensive development and use of land within the community.

8. The Project and the program to finance the Project by the issuance of revenue obligations, have been given preliminary approval by the City subject to holding a public hearing thereon and final approval by the City, the Borrower, and the purchasers of the Bonds as to ultimate details of the financing of the Project.

9. Taft Stettinius & Hollister LLP, acting as bond counsel, is hereby directed to prepare a housing program for financing the Project in accordance with the provisions of Minnesota Statutes, Section 462C.03.

10. The Borrower has agreed and it is hereby ratified and affirmed that any and all costs incurred by the City in connection with the financing of the Project whether or not the Project is carried to completion will be paid by the Borrower.

11. Taft Stettinius & Hollister LLP, acting as bond counsel, is authorized to assist in the preparation and review of necessary documents relating to the Project, to consult with Borrower and the purchaser of the Bonds as to the maturities, interest rates and other terms and provisions of the Bonds and as to the covenants and other provisions of the necessary documents and submit such documents to the City for final approval.

12. Nothing in this Resolution or the documents prepared pursuant hereto shall authorize the expenditure of any municipal funds on the Project other than the revenues derived from the Project or otherwise granted to the City for this purpose. The Bonds shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property or funds of the City except the revenue and proceeds pledged to the payment thereof, nor shall the City be subject to any liability thereon. The holder of the Bonds shall never have the right to compel any exercise of the taxing power of the City to pay the outstanding principal on the Bonds or the interest thereon, or to enforce payment thereon against any property of the City, except such property as may be expressly pledged for the security of the Bonds. The Bonds shall recite in substance that the Bonds, including the interest thereon, are payable solely from the revenue and proceeds pledged to the payment thereof. The Bonds shall not constitute a debt of the City within the meaning of any constitutional or statutory limitation.

13. Subject to final approval of the Project by the City and in anticipation of the approval by all necessary entities of the housing program and the issuance of the Bonds to finance all or a portion of the Project, and in order that completion of the Project will not be unduly delayed when approved, it is hereby ratified and affirmed that the Borrower is authorized to make such expenditures and advances toward payment of that portion of the costs of the Project to be financed from the proceeds of the Bonds, as the Borrower considers necessary, including the use of interim, short term financing, subject to reimbursement from the proceeds of the Bonds, if any, when delivered but otherwise without liability on the part of the City.
