RECOMMENDED PARK BOARD ACTION:

Motion to accept donation in the amount of \$4,000 from Choonja Lee to add a slat-style windscreen at the Central Park pickleball courts.

COMMENTS:

Choonja "CJ" Lee has been a Maple Grove pickleball enthusiast and player for many years. She played routinely at Central Park with her friends and had a special affinity for the Central Park facility. She was tragically diagnosed with cancer recently but continued playing as often as she could manage. CJ passed away in early February. Her wish was to give back to her beloved activity and community that provided her so much joy over the years.
