**RECOMMENDED PARK BOARD ACTION:**

Motion to approve the 2023 Fernbrook Fields Storage Agreement with Maple Grove Youth Lacrosse Association (MGYLA) contingent on final review by the City Attorney and the Parks and Recreation Director.

---

**COMMENTS:**

As part of the Maple Grove Fernbrook Fields project, four storage units were built. The facility partner youth associations each were assigned one storage unit with their agreement. With the dissolved agreement between the city and MN Eclipse one storage unit is available. Maple Grove Youth Lacrosse Association (MGYLA) approached the city to rent the vacant storage unit.

The agreement allows MGYLA to rent the storage unit at a rate of \$50/month with the understanding that both parties may give a 30-day notice to terminate the agreement at any time.

This arrangement allows the opportunity for the city to enter into another association facility partnership and have the storage unit available for the new partner.
