

January 12, 2023

City of Maple Grove Parks and Recreation Board
12952 Weaver Lake Rd
Maple Grove, MN 55369

Hello,

I'm requesting that the fee be waived for Maple Grove Community Center's banquet room on Saturday, August 12, 2023. I would like to hold a Hennepin County Fix-It Clinic there that afternoon.

Fix-It Clinics are free community events in which residents can bring broken household items such as lamps, vacuum cleaners, blenders, radios, electronic devices and clothing, and work with skilled volunteers to learn how to fix their items. Residents gain knowledge about diagnostics and repair, feel a sense of empowerment around fixing their belongings, keep items out of the waste stream, and have a really fun time.

When we were last in Maple Grove in 2019, 90 residents attended. I would love another opportunity to bring our program to your city and increase attendance. For more information, please go to <http://hennepin.us/fixitclinic> and <https://www.facebook.com/HennepinEnvironment>.

Thank you for your consideration,

Nancy Lo
