**PREPARED BY:** Greg Sticha, Finance Director

**AGENDA ITEM:** Public Hearing - certification of delinquent weed and tree cutting bills, Resolution No. 23-159

---

Motion to adopt Resolution No. 23-159 adopting the special assessment for 2023 delinquent weed and tree cutting bills.

---

**COMMENTS:**

A copy of the assessment roll for delinquent weed and tree cutting bills is attached. This is a current list as of Monday, October 9, 2023. Payments are received every day so there will be some accounts that will be removed from the list. Payments can be paid in full at the Maple Grove Government Center up to November 19th.

A copy of the assessment roll is attached. The total amount to be certified is \$2,285 as compared to \$5,200 in 2022, which includes a \$40 fee for the certification process. The staff of Public Works, Engineering and Finance did a good job again this year in coordinating the weed & tree cutting notices, billings, and the assessment roll.
