Consent

MEETING DATE: December 16, 2021
PREPARED BY: Aimee Peterson, Recreation Superintendent
AGENDA ITEM: 2022 Park and Recreation Fee Schedule - Amendment

PREVIOUS ACTIONS:
At the November 18, 2021 meeting the Board approved the 2022 Park and Recreation Fee Schedule

RECOMMENDED PARK BOARD ACTION:
Motion to approve an amendment to the 2022 Park and Recreation Fee Schedule; adjusting the Town Green Meeting Room rate.

COMMENTS:
Last month the Park Board approved the 2022 Parks and Recreation Fee Schedule. In order to remain consistent with Community Center room rental rates, staff is recommending the Town Green meeting room rental fee go from last month's approved non-resident fee of \$35/hour up to \$40/hour and the combined meeting room and lawn of \$70/hour up to \$80/hour. Language was also added to include the 50% early bird rental rates for Town Green. The early bird discount rate is applicable for outdoor space rentals Sunday through Thursday that conclude by 1pm. The meeting room is excluded from the early bird discount.
