

LEAD, MOLD, ASBESTOS, RADON

BUILDING DEPARTMENT

763-494-6060

www.maplegrovern.gov

SURGEON GENERAL'S WARNING:
Radon causes lung cancer.

The Maple Grove Building Department does not employ individuals trained to inspect, consult, or advise on the matters of lead, mold, asbestos, and radon. Following are a number of web sites that provide a wealth of information on these topics. For local services, check your local yellow pages under the topic of interest.
